STANDARDS INTERNATIONAL®

SARAH BARTLETT

Consultant, Coach, Trainer & Assessor

A proven leader with a strong foundation in B2B and B2C marketing, Sarah excels at mapping customer journeys, driving organisational growth, and assembling high-performing teams. Whether she is orchestrating campaigns that support over 100,000 medical vaccinations annually or acting as an embedded, hands-on operational lead, she perfectly balances strategic thinking with practical execution to deliver measurable results.

Now, she brings this experience to businesses like yours, helping scale growth, streamline operations, and create real momentum, as an ongoing strategic advisor, or specific projects.

TOGETHER, WE CAN;

- Map seamless customer journeys and build lasting, trust-based client relationships
- Implement robust, customer-centric operational and marketing strategies
- Navigate regulatory compliance with transparency, integrity, and exceptional service
- Maximise team potential and drive sustainable organizational growth.
